

Introducing your TelstraSuper Financial Planning adviser

Helping you build a brighter future

Financial advice is one of the best ways to make the most of your money and to help you achieve financial security.

As a TelstraSuper Financial Planning client, we'll work with you to understand your needs and empower you to achieve your financial goals with advice that is in your best interests.

About Antony

With over 23 years experience providing financial advice, I have had the privilege of witnessing my clients achieve their life goals and a more financially secure future.

I am dedicated to guiding my clients towards a secure future with the right advice tailored to their goals and objectives. I am particularly passionate about creating retirement income strategies for my clients that provide them with peace of mind.

I believe a successful financial planning relationship is founded on mutual respect, trust and open communication.

I am currently pursuing an additional qualification as a Master of Financial Planning.

Away from work, I enjoy spending time with my family, following football and basketball and getting out for a round of golf.

Antony's qualifications

Certified Financial Planner
Graduate Diploma in Financial Planning
Advanced Diploma in Business (Accounting)
