

Introducing your TelstraSuper Financial Planning adviser

Helping you build a brighter future

Financial advice is one of the best ways to make the most of your money and to help you achieve financial security.

As a TelstraSuper Financial Planning client, we'll work with you to understand your needs and empower you to achieve your financial goals with advice that is in your best interests.

About David

I have been providing financial advice to clients since 2006. Over this time, I have experienced the privilege of assisting clients achieve a more financially secure future.

I strive to build meaningful relationships with my clients by gaining a thorough understanding and shared vision of their future. My approach is centred on clear and simple communication, breaking down complex concepts into easy-to-understand language.

I'm particularly passionate about creating retirement strategies for my clients that provide them with peace of mind, financial freedom and security.

Away from work, I love spending time with my family and enjoy many a weekend watching my two teenage kids play sport.

David's qualifications

Certified Financial Planner
Graduate Diploma of Financial Planning
