

Introducing your TelstraSuper Financial Planning adviser

Helping you build a brighter future

Financial advice is one of the best ways to make the most of your money and to help you achieve financial security.

As a TelstraSuper Financial Planning client, we'll work with you to understand your needs and empower you to achieve your financial goals with advice that is in your best interests.

About Matthew

With more than 5 years experience as a financial adviser, I have worked with individuals and families from all walks of life, helping them plan for their personal and financial futures.

By getting to know my clients, understanding what is truly important to them, and helping them set effective financial and non-financial goals, I have been able to provide my clients peace of mind by help them achieve and sustain an enjoyable lifestyle.

In my spare time, I enjoy spending time with my family, exercising with my dog and playing & watching soccer on the weekend.

Matthew's qualifications

Masters of Financial Planning
Bachelor of Commerce
Justice of the Peace
