

Introducing your TelstraSuper Financial Planning adviser

Helping you build a brighter future

Financial advice is one of the best ways to make the most of your money and to help you achieve financial security.

As a TelstraSuper Financial Planning client, we'll work with you to understand your needs and empower you to achieve your financial goals with advice that is in your best interests.

About Sophie

I have more than a decade's experience in financial services, with eight years at TelstraSuper Financial Planning, starting in advice support before progressing to be a qualified Financial Adviser.

I take great pride and satisfaction in being able to assist people in navigating their finances and planning for their future.

I'm dedicated to getting to know my clients, working with them to set goals, and guiding them towards a secure future with the right advice for their unique needs and objectives.

I am a big believer in educating my clients, so they feel empowered throughout the personal advice process.

Sophie's qualifications

Bachelor of Commerce

Graduate Diploma in Financial Planning
